

Dear Parent/Guardian,

Brighton Beach Primary School is looking forward to another great year of teaching and learning and would like to advise you of the **2022 Brighton Beach Primary School Voluntary Financial Contributions**.

State Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

We want to thank you for all your support.

Your choices in paying the **Curriculum Contributions** and **Other Contributions** enable the rich and diverse learning programs that are on offer at BBPS. Please know these contributions make a huge difference to our school.

In addition, the Building and Library Funds contribute to the ongoing improvements we make to the learning spaces and the constant upgrades we do to our facilities. These two contributions are tax deductible.

Your generous support in 2021 has allowed us to do:

- The renovation and refurbishment of the library including a complete fit out of new furniture
- Furnish the STEM Room (Science, Technology, Engineering and Maths)
- The upgrades to the Year 3-6 classrooms and shared learning spaces (acoustic wall panelling, new carpet tiles, painting)
- A much-needed upgrade to bathroom wet areas in the CLC (flooring)
- The ongoing maintenance to our extensive gardens & grounds.

In particular, we thank you for all your involvement that supports fundraising or volunteering your time at the school. This is what makes our school, a community. In post COVID non restrictions, we look forward to welcoming you back.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Beverley May
